

As part of our continuing effort to provide quality services to our attendees and exhibitors in connection with every PRINTING United Expo, we have established relationships with trusted service providers.

Some trusted service providers are recommended, and some are required because of our contractual relationship with those providers for Expo services or because they are exclusive to the Expo venue, per our contractual obligations with the venue, for the services they provide.

Below is a listing of the approved service providers for the current PRINTING United Expo to be held in Atlanta, GA in October of 2023. **The service providers marked with an asterisk (\*) following their name are exclusive to the venue, and/or the Expo, and must be utilized by all exhibitors which need or choose to use that type of service.**

**The service providers not marked with an asterisk are optional.** For those services, you are free to choose other providers, provided that you comply with the Expo Terms and Conditions and Rules and Regulations for hiring Exhibitor Appointed Contractors, including any applicable union rules.

**Please note that the service providers in the list below are the only companies that we have authorized or approved to provide services to the Expo.** You will be contacted by many service providers which will falsely claim that they are associated with or have been authorized/approved by the PRINTING United Alliance (Alliance) and/or the PRINTING United Expo (Expo) to provide services associated with the Expo. Some have gone so far as to use our name and logo in their solicitation materials. **Please compare the company names on any solicitations you receive against the list below as needed throughout the process to determine which companies are authorized/approved by the Alliance and the Expo to provide services to you. If you are contacted by a company not listed below, claiming to be offering approved services for the Expo, we can confirm that they are not associated with us or authorized/approved by the Alliance or the Expo.** Please use caution and investigate any unapproved vendors before engaging. We will not be able to assist you with complaints against unauthorized/unapproved service providers.

You will also be contacted by many companies claiming to represent us or to be associated with us, typically via email, claiming to possess our Expo registration or attendee list, and offering to sell the list to you. Please note that **we do not sell the Expo registration or attendee list.** Anyone who contacts you claiming to be associated with us or authorized by us and who claims to possess and have the right to sell our Expo registration or attendee list, is committing fraud. Please ignore those emails or forward them to us at [exhibit@printingunited.com](mailto:exhibit@printingunited.com) so that our legal department may take appropriate action.

1 onPeak is the Alliance's preferred hotel broker for all Expos. The Alliance has worked with onPeak for more than a decade and we have found them to be consistently professional and reliable. They negotiate and contract with all hotels for the room blocks associated with official Expo housing, and instead of receiving a direct payment from the Alliance, they are compensated by receiving a commission and rebates from each hotel. onPeak receives written assurances from each hotel confirming that the rates they negotiate are the lowest rates available to the general public over the room block dates (excluding non-public rates, such as airline crew rates, etc.). onPeak pays the Alliance a portion of their commission and the rebate, both of which we apply toward the cost of the Expo shuttle services. You are not required to use onPeak for your housing needs, but by doing so, you enable onPeak to obtain volume discounts for all attendees, and you benefit the Alliance by providing commission payments which help us reduce the expenses which we would otherwise have to pass along to all exhibitors.
